WITH COVID-19 SAFETY PROTOCOLS IN PLACE

# COVID-19 Safety Protocols

## Upon your arrival – Physical distancing

---

In order to limit the number of people in the salon, we are implementing the following protocols.

1. There will be a 15 min buffer between each appointment for sanitization.
2. We ask all clients to **remain outside, in their vehicle, or in the lobby** until the time of their appointment. You will not be able to stay in the waiting room.
3. **Upon arrival, please call** the salon to let us know you have arrived. **We will let you know when you can safely come to the door and we will let you in.** This will give us time to make sure the previous client has left, and all the proper disinfect measures have been taken care of.
4. We kindly request that you **come unaccompanied** to your appointment. Other than for special cases (parents accompanying minors, etc.), we ask anyone accompanying you to wait outside.
5. There will be a maximum of 8 people in the salon at once.

## In the salon – Hygiene measures

---

1. Upon arrival, you will be asked to **disinfect your hands and put on a face mask.**
2. All our stylists and staff will be wearing gloves and face masks or shields. Gloves are changed after each client and work clothes are washed daily.
3. We kindly request you minimize touching surfaces and objects in the salon.
4. We will be **restricting access to the bathroom** to minimize risk of contamination. Please come prepared to avoid using the bathroom while at the salon.
5. After each appointment, workstations will be thoroughly cleaned and disinfected.
  - Disinfecting of the sinks, chairs, shelves, and door handles.
  - All towels are changed after each client and washed with hot water and detergent nightly.
  - Capes will be plastic and disposable.
6. Common areas and surfaces will be cleaned several times per day. The salon will be sanitized thoroughly every night.
